Project 1

The screenshot shows a Linux terminal window with a dark background. The prompt is `root@77d2e6b99e1b5c6: /var/www/html`. The user enters `cd ~/temp` and then `cat index.html`. The output shows the content of `index.html`, which is a simple HTML page. The desktop background is black with various application icons on the left side, including Groovy, Eclipse, IntelliJ, and others. The taskbar at the bottom shows the search bar and several open applications.
